Rental Conditions & Period Rates

Rental Conditions

- All prices are exclusive of 21% VAT and are based on 1 day of use.
- Collection and return times are agreed at confirmation. Late return may result in an additional rental charge.
- Payment is due no later than collection, unless otherwise agreed in writing.
- The renter is responsible for the equipment from collection/delivery until its return and should insure it against theft, loss and damage.
- Equipment must be protected against rain, moisture, dust, mud, paint and other external influences unless explicitly indicated as weatherproof.
- Delivery, collection, set-up, dismantling, programming and technical assistance are not included unless explicitly stated in the quotation.
- Consumables (for example confetti, streamer cartridges and Sparkular powder) are charged separately where applicable.
- Missing, damaged or excessively dirty equipment and cables may be charged at repair, cleaning or replacement cost.
- Reservations are only final after written confirmation by Empire Light & Sound. Availability remains subject to prior rental or technical substitution.
- These catalogue conditions are a practical summary; the full general rental terms of Empire Light & Sound remain applicable.

Period Rate Scale (Staffel)

For consecutive rental days. Multiplier is applied to the standard 1-day catalogue rate.

Rental period	Multiplier	Remarks
1 day	1.00 x	standard day rate
2 days	1.50 x	25% lower than 2 separate day rates
3 days	2.00 x	33% lower than 3 separate day rates
4 days	2.50 x	37.5% lower than 4 separate day rates
5-7 days	3.00 x	weekly rate
8-14 days	4.50 x	extended rental rate
15-21 days	6.00 x	extended rental rate
22-30 days	7.50 x	monthly rate

Example: equipment with a 1-day rate of EUR 100 costs EUR 300 for 5 to 7 consecutive rental days.

Long-term rentals, large quantities and production packages can be quoted separately on request

Prices are subject to change without prior notice.

Typing errors and pricing errors reserved.
